OLD BUSINESS

Eliza Broadus collected \$2118.00. The goal is \$3500.00. 70 counties were placed on the board to finish out our fundraiser. Everyone was happy with the amount money raised during a pandemic.

Mission classes will beginning in October 7. Wednesday night mission class teachers are Kathy Denison (RA's); Sue Myers (GA's); Angie (Acteen/Challengers). Mission Friends teacher is vacant at this time.

Drive-thru trunk n treat is Friday, October 30 from 6:30-8:30. We need 30 cars to participate. Sign-up sheet is on the bulletin board. We need volunteers for the four station and please prepare for 200 kids.

NEW BUSINESS

World Hunger Day is October 25. Sharla presented to the church, encouraging them to collect money and can goods for the pantry box during the month of October. On October 25 these bags will be prayed on during service. Items we will need next time are Band-Aids and chapstick. Angie would like for the women to make bags every quarter.

Women's Day of Prayer is November 2 at Vine Hill. It will be different this year to do COVID-19. The NBA is suggesting each church host their own day of prayer in their own way. Angie suggested we have the countries displayed on tables. The women would walk about the tables and pray for their needs. We will have a regular meeting. There are seven tables and each table was assigned to a woman

to decorate. A love offering will be collected that night for NBA to send to each country. We can promote the women by passing out prayer hands.

Christmas Celebration will be held on December 7. We will discuss at the next meeting what the secret pal will look like next year. Things start for a reason and things can end for reason. We still need to do something for those that participated this year so they can reveal themselves.
