Lesson & Missionary Birthdays

Angie brought the lesson about the SARS outbreak and John Vi. SARS is a Severe Acute Respiratory Syndrome, which was also a coronavirus back in 2003, in Japan. John Vi was only interested in making money but didn't have any time for children or God. In 2003, during the outbreak his mother came to see him and stayed there because she had to quarantine. She witness to him and his wife. It was a blessing

her being there. God always has a plan. In 2007, John and his wife received a calling from God. John and his wife's life changed, had 2 children and started church planning. John would have private bible study in a home and started a worship service in a small church.

If we ask God, God will always provide a way. Prayer is important!

Angie brought the missionary birthdays. Draw your hand on a sheet of paper; color them all the colors, because God made no colors. We are all equal. Put the name of the missionaries on each finger. You can hang it on your refrigerator as you are making your lunch.

Prayer request are Carl's family, Ed Jackson, Brother Greg and Linda car to unlock.

Our next WMU meeting will be on February 1, 2021 at 6:30pm. Meeting was dismissed at 8:00pm.

Respectfully Submitted,
In Christ Name
