Angie brought the missionary birthdays. Relentless through Romans. God please reveal yourself to me every day. Prayer focus – Northern African and Middle Eastern peoples. Story about Johannes. Please pray for him to know God as he thinks his good works and good attendance will save him.

Angie brought the lesson about living and active with Gods word. Make it the way to the unreached. There is different ways to worship, scripture and music. We are all different. Tom Ferguson is taking Christian songs and adapting them to another culture to understand in the culture style. To provide a way for the believers to worship form the heart. IMB Margot Gladding started a new hope group and tells bible stores to anyone who will listen. Meredith Wilder told stories as she put henna art on the woman's hands as the henna disappears the stores do not. They are in the heart.
