Lesson & Missionary Birthdays

Angie brought the lesson about Cultivating Mission Hearts. David Roland is a man that has a colligate ministry at Shorter University in Rome, GA. David was saved at 8 years old, but gave his profession of faith his sophomore year in college. That was the year he fully came to Christ. A collegiate ministry has a twofold purpose: disciple believers and share Christ with nonbelievers. David wants to see every believer take ownership in the responsibility of reaching those in the most unreached and hardest-to-reach places. Our job is to sew the seeds, stay diligent and be relentless. Where is your campus.

Missionary's birthday focus is from Matthew 5:15. Are we lights if we never shine? Are we salt if we never season? Are we fishes if we never fish?

Prayers requests were given.

The meeting came to a close early so that WMU ladies could put together the Gospel to Every Home bags. Over 50 bags were made.

Our next WMU meeting will be on June 7 at 6:30pm.

Respectfully Submitted,
In Christ Name
Sharla Daugherty, Secretary
