Devotion/Lesson

Sharla brought the lesson about looking past the Landmarks. Crownover family seeks to revitalize the church in North Germany. In North Germany, only 1 out of 10 people are Christians. Atheism is the most predominant religious affiliation. Germany was Crownover's vacation spot. They loved it so much that they moved there to church plant. The key in the Crownover's ministry is getting people to look beyond Germany's landmarks and tourist attractions and instead see the lostness in the area. Pray for Arc and Rachel Crownover and their children as they continue to serve in North Germany through evangelism, discipleship, and church planning. Pray for wisdom as they seek partners to help plant another church in a new neighborhood. Pray for opportunities to share the gospel with their friends and neighbors.

Missionary Birthdays

Lisa Crenshaw brought the Missionary's birthday. Focus: 1 Chronicles 21. David sin against God so Israel was punished. God gave David 3 options. David asked for forgiveness. "The gift that doesn't touch the heart of the giver is always less than what should be offered to God, the giver of all gifts." We should all pray "Lord, help me not to take shortcuts in our faith."

Prayer Request

Kia is going to the navy, Judy for good test results, Julie praise report that she is doing better, Allison no job, Sheila-Brenda neighbor, Donnie Tinnell on the vent, Kayla for encouragement, Brother Greg for encouragement.

Next Meeting

Our next WMU meeting will be on June 7th at 6:30pm. (May meeting will be the Women's Celebration) Sharla-Food, Lesson and Missionary Birthday.

WOM stuff Easter eggs after the meeting.

Respectfully Submitted,
In Christ Name
