Devotion/Lesson

Angie brought the lesson. Witnessing is a lifestyle or just do it, think about it. 2 Timothy Ch 1 – Sincere Faith. The lesson is about David Domalski from Pittsburg, PA. Before David dedicated his career, full-time missions work with NAMB, David was on a mission trip called GenSend. If you don't have a relationship with God how can you tell other people about Jesus. We need accountability and spiritual mentors. Let's be faithful to join David in relentless prayer for the lost in Pittsburgh and in our communities.

Missionary Birthdays

Lisa Cundiff brought the Missionary's birthdays and read from Psalms 66:1. Lisa Cundiff prayed over our missionary's.
